JIŘÍ ŠOLC

HEAD COACH

BORN: February 1, 1975, Zlín, Czechoslovakia

He is a former prospect of the ice hockey in Zlín. In the city located on the east of the Czech Republic, he went through all the categories from youths to juniors. Then he experienced senior hockey in the 3rd tier league, playing for Šumperk, and Kroměříž.

In his twenties, he downplayed his career and began coaching youth teams. He had coached the U10, U11 and U12 and with all these three categories, he reached the title „champions of the Czech Republic“.

He got promoted to the U18 category of Zlín in the 2006-07 season and his ward won the championship that year. Jiří Šolc managed the same trick three years later, when he won gold medals with the U20 team. His acquisition to the Zlín club reflected in Šolc being appointed the sports manager after that season.

This season has been his fifth at the bench of the Czech youth national teams. He subsequently worked with the U16, U17 and U18. He gained the experience of the U18 world championship in 2010 in Minsk, where he worked as the video coach of the Czech team.

MARTIN HOSTÁK

ASSISTANT COACH

BORN: November 11, 1967, Hradec Králové, Czechoslovakia

He is mostly known as the TV expert and commentator. Beside his oratorical skills, he can be proud of his ice hockey skills. In the 80s and 90s he was one of the regular participants of the Czech national team.

He gained his first big success in the 1989-90, when he won the league title with Sparta Prague. During the subsequent two-year contract overseas, he played 55 games in the NHL for the Philadelphia Flyers.

The longest part of his career he spent in the Swedish Elitserien, including participation in the finals in 1994 in MoDo Hockey jersey. He played for Sodertalje SK and Lulea HF, where he, due to injury, ended his playing career in 2001.

Hosták won his first medals with the youth national team selects, and at the senior ice hockey world championship he won bronze in 1990 (Bern, Switzerland) and 1993 (Munich, Germany). He participated at the Olympic ice hockey tournament in Lillehammer. Placing fifth was a big disappointment for the Czech Republic though.

After finishing his active career, he devoted himself mainly to commentation of the ice hockey games on TV, especially as the expert analysing situations during intermissions. He gained his first coaching experience at the bench of Chrudim and stood by its promotion to the upper league (finally to the 2nd tier league) twice.
